

Dear FCC Representative,

I want to petition for the continued use of FM stations for the reason of continuing K-Love on the air. They are one of the few stations that promotes my faith and provides me needed encouragement through my day. They have prayed for me, offer national and local news and some awesome tunes.

There are people in this area that need this station. It has helped people out of states of deep depression and has turned other people's life around.

Thank you for your time and consideration. Again, I entreat you to continue the broadcasting of FM, or to allow K-Love on the new LPFM stations.

Sincerely,

Paul Ashman
